MEDIA ADVISORY 2004 BPA Science Bowl

PORTLAND, Ore. – The Bonneville Power Administration is sponsoring the 2004 Science Bowl at the University of Portland, and the public is invited. Over 250 students in white lab coats from 21 Oregon and southwest Washington high schools are vying for the right to compete at the national championships in Washington, D.C., later this spring.

Who: For the high school event on Saturday, Feb. 28, more than 250 students will represent 64 teams from 27 Oregon and southwest Washington high schools. For the middle school event on the following weekend, there will be 36 teams from 19 different middle schools.

What: BPA's middle and high school science bowl is a quiz-show style round-robin competition aimed at raising and encouraging students' interest in math, science and technology.

When and where: High School Science Bowl:
8 a.m. to 4 p.m. Championship round begins at 5 p.m.
Saturday, Feb. 28
Franz Hall, University of Portland, 5000 N. Willamette Blvd.,
Portland, Ore.

Middle School Science Bowl
8 a.m. to 4 p.m. The championship round begins at 5 p.m.
Saturday, March 6
Franz Hall, University of Portland, 5000 N. Willamette Blvd.,
Portland, Ore.
